

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-844-634-1237 or visit whyuhc.com/universitymissouri. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	<u>Network</u> : \$800 Individual / \$2,400 Family <u>Out-of-Network</u> : \$1,600 Individual / \$4,800 Family Per calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. <u>Preventive care</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	Yes. Retail Prescription drugs. \$75 per person.	You must pay all the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	<u>Network</u> : \$3,750 Individual / \$7,500 Family <u>Out-of-Network</u> : \$11,250 Individual/ \$22,500 Family Per calendar year. Pharmacy: \$6,850 Individual/ \$13,700 Family. Per calendar per year.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover and penalties for failure to obtain <u>preauthorization</u> for services. Certain specialty pharmacy drugs are considered non-essential health benefits and fall outside the pharmacy out-of-pocket limits.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Will you pay less if you use a <u>network provider</u>?	Yes. See myuhc.com or call 1-844-634-1237 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
