Lab and x-ray	80%	60%	80%	60%	80%	60%
Nutritionist (12 visits annually except an eating disorder diagnosis)	80%	60%	80%	60%	80%	60%

*How the family deductible & out-of-pocket maximum works for each plan:

- Premium PPO & Basic PPO: the family deductible and out-of-pocket maximum is applicable for three or more covered participants.
- PPO w/HSA: the entire family deductible must be met before any benefits are paid, including prescription drug benefits. There is an embedded Network out-of-pocket maximum of \$6,850 for an individual enrolled in a family plan.

Non-network coverage is based on the carrier's allowable charge for a particular service, as defined under the Plan. In the event of a discrepancy between the above information and the actual plan provisions, the actual Plan provisions will govern.

If you live in Massachusetts, Maine or New Hampshire, you have access to the Harvard Pilgrim Network as part of the Ameriprise Financial Medical Plan. Visit <http://whyuhc.com/ampf> for more information.

¹The Prescription Drug Program benefits do not apply until you meet your deductible.

²To be eligible for the company HSA contribution of \$250, you must open and actively contribute to the Ameriprise HSA.
