

Personalized health recommendations for you

Rally® can help you get healthier, one small step at a time.

Rally is designed to help you make changes to your daily routine, set smart goals and track your progress. You'll get personalized recommendations to help you move more, eat better and improve your health—and have fun doing it.

Start with the quick Health Survey and get your Health Score, a measure to help you assess your overall health. Rally will then recommend Missions for you: activities designed to help improve your diet, fitness and mood. Start easy and level up when you're ready.

On Rally, you'll get lots of ways to earn Rally Coins to use for chances to win rewards. Rack up Rally Coins for taking healthy actions, like joining Missions, completing healthy activities or pushing yourself in a Challenge.

Rally is part of your health plan benefits, which means it's available at no additional cost to you.
